Letter from the Late Government of India, Finance Department, to the Auditor-General, No. F-57-III-R.-II, dated the 29th September 1928.

Subject.— Preparation of the History of Services.

In reply to your letters No. T. Ar. G. 117-436-Admn.-24, dated 3rd February 1928 and No. 285-Admn.-436-24, dated the 21st February 1928, on the above subject, I am directed to say that, after consulting the various Departments, the Government of India have arrived at the following conclusions in regard to the three points raised by you :—

(*i*) The histories should be prepared on a departmental basis. In the case of Departments, e.g., Income-tax, the officers belonging to which are not transferable all over India and whose duties are confined to particular provinces, their histories may continue to be shown in provincial compilations.

(*ii*) The Government of India do not agree to any substantial change in from of the histories of services. They consider, on the other hand, that it would be useful if (*i*) the dates of birth of Indian Civil Service officers serving in Central Departments or Services could be shown in the histories, and (*ii*) in the case of every officer, the domicile and religion (or community), and in the case of Indians the province of origin also. For the purposes of the latter it would be necessary to employ symbols and explain them in a prefatory or other note.

(*iii*) If the details regarding an officer (including those who are members of the Indian Civil Service) serving temporarily, or in a tenure post, in a department of the Central Government are shown in a provincial or central (as the case may be) history of services, they should not be reproduced in the history of services of that Department, it would be sufficient to make a reference in that history to the provincial or central volume, as the case may be, containing the details. In the case of officers permanently transferred to central Departments, e.g., the Indian Audit and Accounts Service and the Imperial Customs Service, thier full particulars should be included in the histories of services of those Departments.

With reference to paragraph 1 (1) of this Department letter No. F-57-III-R.-II, dated the 29th September 1928, I am directed to say that only in the case of the following Departments the histories of services should be prepared on a provincial basis :—

(2) Opium Department.

(3) Salt Department (except officers of the Northern India Salt Revenue Department).

In the case of all other Central Departments the histories should be prepared on a departmental basis.

(5)

By "Province of origin" in paragraph 1 (2) of Government of India, Finance Department, letter No. F-57-III-R.-II, dated the 29th September 1928 is meant the province in which the Officer was domiciled at the time of his appointment in accordance with the rules for the determination of domiclile.

Paragraph I of the letter from the Former undecided Punjab Government to all Heads of Departments No. 20989-Gaz., dated the 25th June, 1929, as amended by their letter No. 10381-Gaz., dated the 25th March, 1930.

I am directed by the Governor in Council to request that the Accountant-General, Punjab, should in future be furnished, not later than the 15th April each year, with a statement of any additions and alterations required to the History of Services of Gazetted Officers of your Department. The information noted in the margin should invariably be supplied in respect of any new names. Similarly such information should be brought up to date in respect of existing names.

1. Academic degrees, if any, and University at which taken.

2. Date of birth.

3. Domicile (in case of Europeans and Anglo-Indians).

4. Caste, tribe, name of family (in the case of Indians).

5. Titles and honours.

6. Names of literary works of a public or official character published by an officer.

7. Periods during which nominated as a Member of the Council of State or Legislative Assembly.

(7)

Letter from the Former Punjab Government to all Heads of Departments, No. 12024 (H.—Gaz), dated 7th April, 1931.

I am directed by the Governor in Council to refer to Mr. Beazley's letter No. 20989-Gaz., dated the 25th June 1929, in which you were requested to furnish the Accountant-General, Punjab, with certain information for inclusion in the History of Services of Gazetteed Government Servants.

2. A point has been raised whether essays, papers and contributions to journals written by officers come within the definition of "literary works of a public or official character" for mention in this publication. A similar question came before the Government of India in 1886 who had doubts' whether the term "literary works" included papers written by Government officers on such subjects as tobacco, vanilla, lac, and other economic products, or such publications as the codes of the Finance or Accounts Departments, or whether the term should be restricted to works of a more original character such as " Hunter's imperial Gazetteer of India " and Baden Powell's, "Manual of the Land Revenue System and Land Tenures of British India.' The Government of India were also not clear whether the term covered"papers" and similar documents written for various associations and scientific societies, or translations as opposed to original works. Accordingly, the matter was referred to the Secretary of State who intimated that it was most undesirable to increase unnecessarily the bulk of this publication and that the inclusion therein of all departmental or official reports drawn up by officers is out of the question. He further prescribed that mention should be made of those official reports only which are of special importance and have been deemed of sufficient interest for general publication, while reference to other works should, generally speaking, be limited to original publications.

I am accordingly to request that when furnishing particulars of "literary works" to the Accountant-General, Punjab, these orders may be borne in mind.

I am at the same time to request that the present entries in the publication may be reviewed in the light of these orders.

(8)

Letter from the Deputy Secretary to the late Government, Punjab, Development Department, to the Director of Agriculture, Punjab, No. 6406-D., dated 15th December, 1934.

Subject—History of Services of Gazetted Government servants.

In reply to your letter No. 18502, dated the 23rd November, 1934, I am directed to intimate that on reconsideration the Punjab Government (Ministry of Agriculture) has been pleased to decide that contributions by departmental officers to publications issued by the Board of Economic Enquiry on Village Surveys, Farm Costings, Crop Production, etc., may be shown against their names in the History of Services of Gazetted Government servants, provided that they are not official or departmental reports and are the result of original work done by officers, as laid down in paragraph 2 of Punjab Government Circular letter No. 12024 (H.—Gaz.) , dated the 7th April, 1931.

2. I am to add, however, that this should not be regarded as a hard and fast rule, and that on such occasions each publication should be examined on individual merit, and the question decided by you as to whether it should be so included in the History of Services.
